

Animeleague Events – Crewing Team Descriptions

Thank you for your interest in crewing with us at one of our events. We have 5 core teams per event (Operations, Registrations, Stage, Video Gaming and Tabletop Gaming). Other teams may or may not be at an event, or may be part of a larger team.

You can apply for crew by using our [Online Application Form](#). If you have any questions, please email crew@animeleague.com.

What Are the Teams and What Do They Do?

Operations - Dealer (trader) care, running the talks & panels room, running the Anime screenings. The general team which gets loaned out to other departments and may be required to move heavy equipment.

Registrations - Checking people in, taking payments for entry, and the event's help desk. Also runs the Animeleague Merchandise desk and the cloakroom. This team is customer service focused.

Stage - Runs the events on the stage. This includes presenting on the stage, managing the stage events signup desk and changing around the room layout (i.e. from theatre to party and back again).

Video Gaming - Setting up and packing away video games consoles. Watching over the consoles through the day. Running video gaming tournaments. At London there is also the Gaming Stage which is run by the Video Gaming Team.

Tabletop Gaming - Role playing, board games and card games. Also runs card gaming tournaments (Magic the Gathering, Pokemon, Yu Gi Oh!, etc) and other tournaments such as Giant Jenga.

AL Mobile App Promo – Responsible for promoting our mobile app, which is available on Android and iOS. Experience with direct sales would be beneficial for joining this team, however the apps are free so there's no exchange of money. This team is part of the Operations team.

Press - At London only. Checking in press at the press desk, answering their questions. Walking around the event with the press. Also helping our main guests. This team is managed by the Registrations Team, so expect to be put on Registrations if you are helping with Press.
