Animeleague Exhibitor Table Information

The information below is a brief overview. Please refer to each event website for exact table information.

Premium Tables

Available for London Anime & Gaming Con (approx 6ft) and Alcon (approx 4ft) only. The price includes Friday trading. Be aware that some positions are not secure overnight and require your stock to be moved. For Alcon, the Premium tables are located in the Queens Building Hallway; the building will be closed/locked at 8PM when trading finishes on Friday & Saturday. Each table includes one pass.

Standard Tables

Available at all events and includes 2 days of trading (approx 6ft at all except Alcon where they are approx 4ft). Secure storage is provided. At Alcon, Standard trading is two days (Saturday & Sunday only) and the tables are located in the Dealers Room. Each table includes one pass.

Artist Tables

Available at all events, with limited availability (approx 6ft at all except Alcon and London where they are approx 4ft). Secure storage is available on request. Footfall may be lower than the standard/premium tables. Overnight storage is available on request. Power and backing tables are not available to Artists. Each table includes one pass.

Backing Tables

Available to Premium and Standard tables for an additional charge. This gives you approx 2ft extra space per table for your stall; the extra table is also provided. Limited availability.
